

Serverless Portfolio with React JS

Robin Norwood

A CLOUD GURU

A person wearing a light blue button-down shirt is seated at a desk, writing in a notebook with a pen. A laptop is open to the right. The scene is dimly lit, with the text 'Section Five' overlaid in the center.

Section Five

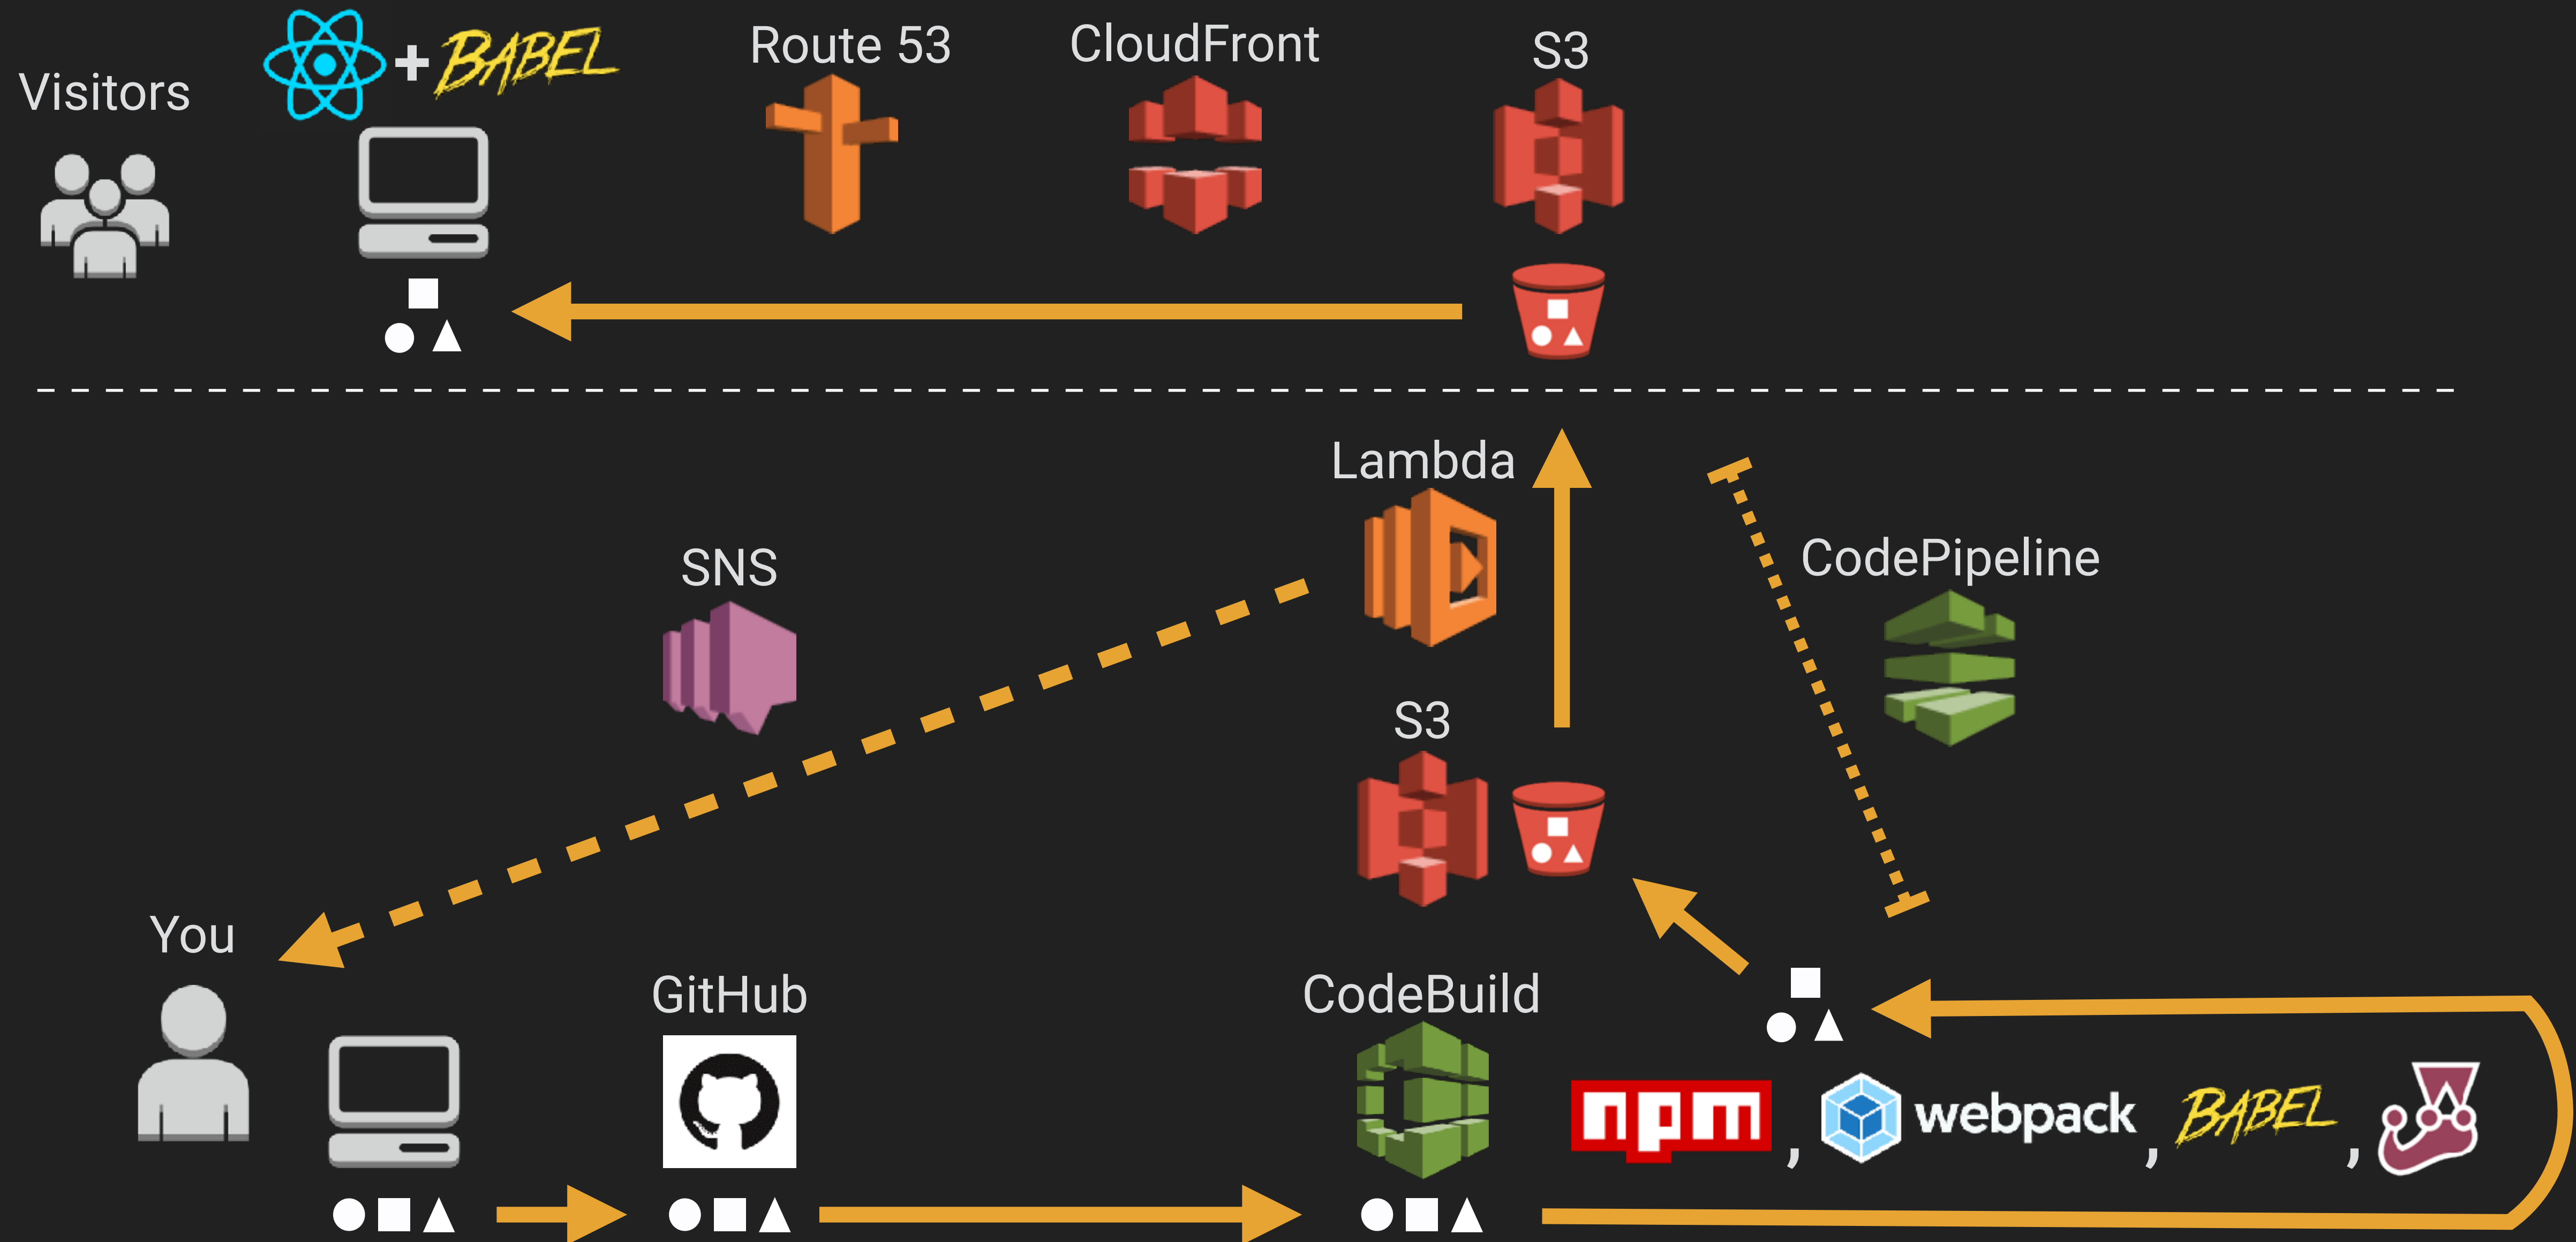

Section Five

In this section, we'll...

- Use the React Javascript library to make your portfolio dynamic
- Learn about all of the other tools and libraries that make a modern Javascript app work

Architecture

A person wearing a light blue button-down shirt is seated at a desk. They are holding a pen in their right hand and looking down at a stack of papers. A laptop is open to their right. The scene is dimly lit, and the overall image has a dark, moody aesthetic. The text "Let's Go!" is superimposed in the center in a bold, white, sans-serif font.

Let's Go!
